

CERTIFICATE OF RECYCLING

This certificate is issued to:

**Barnes
HazMat**

Responsible Hazardous Materials Management

13249 Louvre St. Pacoima, CA 91331
(877) 600-MSDS (818) 899-3930

Barnes HazMat is an authorized UWSQH (Universal Waste Small Quantity Handler) and certifies that all waste collected are handled in accordance with the California Universal Waste Standard (22CCR Division 4.5, Chapter 23), DOT Title 49, EPA Title 40, and all applicable State and Federal laws.

The mercury amalgam kit identified by the serial number below has been received for recycling by Barnes HazMat. The waste will be consolidated and shipped for final processing to a RCRA permitted TSDF within one year of receipt. Documentation of storage and final disposal of the waste is maintained at the BHM main office, and available upon request.
